

PRODUCT INFORMATION

Electronic Industrial Scales

Optional with second ramp

Optional with lifting device for folding up

Stainless Steel Drive-through Scale DFW-NIRO+STAN07 series (CE approved available)

- Easily accessible weighing platform due to low construction height (approx. 7 cm)
- High-quality stainless steel construction, making it particularly durable and corrosion-resistant
- Includes a smooth sheet metal ramp for convenient access
- Overload protection to prevent damage from excessive strain
- Load cells made of stainless steel IP68
- Compact junction box made of stainless steel IP65
- Measurement cable separation for easy disassembly of the digital display
- Quality and precision from German manufacturing
- Completely mounted and functions tested with 8 m connecting cable with digital indicator STAN07 in stainless steel housing – IP65
- Large backlit LCD-Display, height of digits 25 mm
- Weighing, taring, counting, total, freely programmable minimum and peak values with optical and acoustical support
- Lights function: programmable change of colour of backlight in dependence of goal attainment
- 100 memory positions each for check-weighing weights, reference weights and check weighing in the counting range
- RS232 interface for connecting to a PC or printer
- Mains operation (100-240V/50-60Hz)
- Indicator for placing on a table or for wall mounting (including wall mounting bracket for the indicator)

Options:

- Second ramp for direct access
- Lifting device for folding up
- Stand for Indicator STAN07 in RAL9005
- Lithium-Ion rechargeable battery for indicator STAN07

Note: If approved version (models –e) is needed, please order approval with the scale.

Later approval isn't possible!

For CE approval outside Germany, please be sure to provide the postal code of the installation location.

Technical Specifications

Model	Weighing platform mm	Art. No.	Capacity kg	Graduation g
DFW-Niro-800x1000-300+STAN07	800 x 1,000	1635-300	300	100
DFW-Niro-800x1000-600+STAN07	800 x 1,000	1636-600	600	200
DFW-Niro-1000x1250-600+STAN07	1,000 x 1,250	1637-600	600	200
DFW-Niro-1000x1250-1500+ STAN07	1,000 x 1,250	1637-1500	1,500	500

Technical modifications might be due to further developments.
