## Straight Feed Slicers

## Straight Feed Slicer – Series VICTORIA-V

- Wide space for cleaning due to prolonged knife hub and underneath of the knife sickle
- Solid housing, carriage, feed plate and protective sickle made of durable anodized aluminium
- Air-cooled motor with extremely hushed propulsion
- Multifunctional blade of the latest generation: 2-level profile and hard-chrome plated surface finish for improved non-stick effect (Teflon blade no longer required for cutting cheese)
- Infinitely variable adjustment of rounds: 0–15 mm
- Four sucking feet for safe standing
- Carriage removable without any tools for easy cleaning
- Separate sharpening device to re-sharpen the blade

### Options

- Unloading device for the knife for save purgation
- Cut protection glove
- Teflon-coating, e. g. for cutting cheese
- Serrated knife for cutting bread
