Gravity Feed Slicers

Slightly sloped - Series HANSE

- Attractive, inexpensive starting model
- Comfort of a sloped slicer due to the slope of the carriage and the knife
- Solid housing in anodized aluminium
- Carriage, feed plate and protective sickle made of durable light metal and fully anodized
- Air-cooled motor with extremely hushed propulsion
- Multifunctional blade of the latest generation: 2-level profile and hard-chrome plated surface finish for improved non-stick effect (Teflon blade no longer required for cutting cheese)
- Infinitely variable adjustment of rounds: 0-15 mm
- Four sucking feet for safe standing
- Carriage removable without any tools for easy cleaning
- Separate shaping device to re-sharpen the blade

Options

- Unloading device for the knife for save purgation
- Cut protection glove
- Serrated knife for cutting bread
