

PRODUCT INFORMATION

Machines for Meat Processing

Table Cutter – Tondo5

- Easy processing of meat, fish, vegetables and other foodstuff
- Perfect for restaurants, hotels, canteen kitchens, cafeterias and little butcher's shops due to compact dimensions and solid design
- Air-cooled motor with thermal protection
- Highest safety because of sensor-controlled automatic switch-off when lid is open
- Easy and quick cleaning
- All parts with foodstuff contact are removable without tools
- Housing and lid in anodized aluminium
- Bowl in stainless steel
- Incl. two sickle knives in stainless steel
- For appropriate continuous operation

Technical Specifications
