PM84STA

Mobile Plate Trolleys – PM-Z series / PM84STA

- Worldwide unique plate stacking system
 - Space-and time-saving stacking of a large number of plates with a small footprint
 - For all round, rectangular and oval plates and platters up to 33 cm in diameter and 5 cm high
 - Each of the four column sides are individually adjustable with the set screws
 - Easy cleaning with pressure washer or brush and soapy water
 - Easy relocation with casters, e. g. from cold store or hot box to serving
 - All models with frame and casters (two locking) in stainless steel
 - Mobile plate trolleys from the “Z” model series can be folded quickly to save space
 - The folding models are specially designed for equipment hire, catering and small storage capacities
- Options**
- Protections cover against odours and draining out
 - Serving board supports (only für PM84STA)
