Plate stacking system

TS-F48Z for up to 48 plates

Mobile plate trolleys – TS-F-Z series

- Space- and time-saving stacking of a large number of plates with food in a small area
- Specifically designed for rental, catering businesses, and where space is limited
- Suitable for all round, square, and oval plates and platters up to 33 cm in diameter and 5 cm in height
- Easy relocation possible due to the wheels, e.g., from the cold room or hotbox to later serving
- Each of the four column sides can be individually adjusted using set screws
- Dish trolleys can be folded compactly when not in use
- Both models with frame and castors (two of which are lockable) made of stainless steel
- Easy cleaning with a high-pressure cleaner or a brush with soapy water
