

Low level platform scale with one ramp for convenient access. The cable remote LCD display with blue backlit shows the weight clearly and can be mounted to the wall with the supplied support bracket. Two castors and one handle permit a quick transport. Powered by mains and rechargeable batteries, allowing the use of the scale at any place. It is equipped with a practical display holder to allow readings close to eye level. A second ramp can be purchased as optional accessory ref. MZ30010.
